BY ORGANIZED TRANSPORT

As you can see, the trip to/from this center from/to the Czech Republic or Slovakia using public transport is rather complicated, time-consuming, and costly. To make things easier we decided to offer a charter bus.

The idea is to provide transport for the students to the center and back with the bus from Prague (it would be possible to get on the bus in Pardubice as well). Details will be specified after we see how much interest there is among confirmed course applicants.

Expected bus departure:
- from Prague to the meditation center - at the starting day of the course around 7:30 am
- from the meditation center back to Prague, after the course finishes (on day 11) around 10:00 am

The anticipated travel time for the route is approximately 8 hours. The return ticket costs 2000,- CZK. You can reserve a place on the bus for both trips only (there and back). Your place will be booked only after your payment of the full price (2000,- CZK). With regard to the conditions for renting the bus this payment is NON-REFUNDABLE.

If the course does not take place due to the epidemiological situation (COVID-19), payments will be refunded in full.

In case you would like to use this charter bus under the conditions above, please email transport@cz.dhamma.org as soon as possible. In your reply, please indicate whether you wish to get on the bus in Prague or in Pardubice.

Payment instructions will be sent to you after you confirm your interest. We will notify you as soon as we receive your payment and will provide you with the details regarding the time and place of departure.
